CITY AND COUNTY OFFICIAL PAPER FREE COINAGE 16 to 1

For President and Silver: W. J. BRYAN, of Nebraska. For Vice-President.

ARTHUR SEWALL, Maine.

We demand the Immediate restoration of the free and unlimited columne of gold and silver at the present legal ratio of 16 to I, without waiting for the aid or con of any other nation. We demand that the standard silver dollar shall be a full legal tender, equally with gold, for all debts, public and private and favor such legisation as will prevent the demonchization of any kind of legal tender money by

THE Kansas City Star, a gold standard paper says: "It doesn't look anything like as unanimous for McKinley now as it did before the St. Louis convention.

The Bryan and Sewall silver club is gaining in membership every day and promises to be of great servise to the silver cause during the campaign. Silver clube should be organized in every town and hamlet in the territory.

HORACE DUNLAP, who has straddled the Wilcox News editorial tripod, in his salutatory shows he is a died-inthe-wool Republican, even to the extent of favoring the golds standard. It is unquestionably the right of every man to his own opinion and to the free expression of the same upon any question of vital interset to the people of this county, but as a business proposition,in a community where almost every industry receives its stayand support from the products of our mines, liver equally with gold, this is certainly the wrong field for a single standard newspaper to be a financial success. Mr, Dunlap in his first issue says: "In politics the News will continue to be Republican. Born in the same township as McKinley, we come honestly by our protection sentiments, and could not desert the cause of sound money even to please our silver loving Arizons friends. In proper season we hope to be able to give a reason for the faith

For your Protection. - Catarrh "Cures" or Tonice of Catarrh in liquid form to be taken internally, usually contain either Mercury or Iodide of Potassa, or both, which are injur-ious if too long taken. Catarrh is a local, not a blood disease, caused by sudden change to cold or damp weather. It starts in the nasal passages, affecting eyes, cars and throat. Cold in the head causes excessive flow of Cold in the head causes excessive now or muchs, and, if repeatedly neglected, the re-sults of catarrh will follow; severe pain in the head, a roaring sound in the ears, bad breath, and oftentimes an offensive dis-charge. The remedy should be quick to allay inflammation and heal the membrane. Ely's Cream Balm is the acknowledged cure for these troubles and contains no mercury nor any injurious drug. Price, 50 cents.

The National Matte Smelter.

A practical and simple method of matting A practical and simple method of mattine sulphide ores, such as nickle, copper, gold and silver ores. In localities where lead ores and fuels are scarce and almost unattainable, our pyritic, water jacket Matte Smelter has been recognized with highly satisfactory results, and has been thoroughly tested on various pyratic, sulphide and arsenide ores, in capacity of 2 to 80 tons per day. It is the most practical, cheapest and simplest method of pold and silver ore matting and concentrating that is known today.

It requires no extrao dinary skill, no lead ores, no fluxing material, and no fuel of any kind for the smelter after it is started. The sulphur in the ore is its natural fuel only, and its cost has no comparison with any other process of con-

We are prepared to furnish any size or capac-ity plant complete to substantial mining people, act it up and furnish our men to rub it for them on easy payments. Price and specifications furnished with references and testimonials on
